USB 3.0 Express ST2

It is the perfect time to move to USB 3.0 with Super Talent's affordable, portable Express ST2. Using 2 channels of flash, the Express ST2 is able to provide you with capacities of up to 32GB but in a compact size that we've only enjoyed with USB 2.0 flash drives. Better performance, in USB 3.0 ports as well as USB 2.0 ports, is another advantageous asset of having 2 channels of flash. The sleek aluminum design gives you a professional look for a drive that knows how to perform.
